

New requirements for international flights at OMA airports

Monterrey, Acapulco, Chihuahua, Culiacán, Durango, Mazatlán, San Luis Potosí, Tampico, Torreón, Zacatecas, and Zihuatanejo.

Monterrey N.L., México, Abril 29 del 2009. Grupo Aeroportuario del Centro Norte S.A.B. de C.V. (OMA).

As a result of new mandatory measures ordered by the Mexican Ministry of Health and the Ministry of Communications and Transportation, all passengers traveling to international destinations from Mexican airports will be required to arrive early in order to pass through a health inspection center. Passengers will be required to fill out a health questionnaire and undergo inspection. The health inspection centers will have specialized equipment and be manned by qualified personnel. This measure goes into immediate effect and will be in force until further notice.

About OMA

Grupo Aeroportuario del Centro Norte, S.A.B. de C.V., known as OMA, operates 13 international airports in nine states of central and northern Mexico. OMA's airports serve Monterrey, Mexico's third largest metropolitan area, the tourist destinations of Acapulco, Mazatlán, and Zihuatanejo, and nine other regional centers and border cities. OMA employs over 950 persons in order to offer passengers and clients, airport and commercial services in facilities that comply with all applicable international safety, security standards, and ISO 9001:2000. OMA's strategic shareholder members are ICA, Mexico's largest engineering, procurement, and construction company, and Aéroports de Paris Management, subsidiary of Aéroports de Paris, the second largest European airports operator. OMA is listed on the Mexican Stock Exchange (OMA) and on the NASDAQ Global Select Market (OMAB). Please visit our website, www.oma.aero.

This press release may contain forward-looking information and statements. Forward-looking statements are statements that are not historical facts. These statements are only predictions based on our current expectations and projections about future events and based on current information. Forward-looking statements may be identified by the words "believe," "expect," "anticipate," "target," or similar expressions. While OMA's management believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and are generally beyond the control of OMA, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include, but are not limited to, those discussed in our most recent annual report filed on Form 20-F under the caption "Risk Factors." OMA undertakes no obligation to publicly update its forward-looking statements, whether as a result of new information, future events, or otherwise.
